Pay It Forward: Earn Credit Towards Your Next Medical Bill

When you pay your Coupe statement in full by the due date, you'll receive a 1.5% credit on your next monthly statement. It's our way of saying thank you for your timely payment, and makes managing your healthcare expenses even more rewarding.

Payments Made Easy

Coupe works with Paytient, your financial payment partner, to offer you 0% financing for your medical bills.

Benefits you receive with the Coupe payment plan:

- + Single monthly statement
- + No payment at the time of service
- + 0% financing
- + Pay manually or autopay

Secondary Insurance

Coupe does not support billing to secondary insurance plans. If any of the below situations apply to you, we recommend not enrolling in the financing component:

- You, your spouse, or any dependents have another form of insurance.
- You, your spouse, or any dependents receive financial assistance from a healthcare provider.

Why Sign the Financial Form?

In order to offer 0% financing with no credit check, you are required to sign a financial onboarding form and add your preferred payment method.

If you do not fill out the financing form, you will not receive the financing benefits of Coupe.

Here are the key differences:

- ✓ You will not receive built-in financing to help pay for your medical bills.
- ✓ You will not receive a single monthly statement. Instead you will receive Explanations of Benefits in the mail and pay your bills directly to providers, as you always have.

Prescription coverage works like traditional medical program options, with you paying a portion of the cost through copays and coinsurance at the point of sale. Prescription costs are not included in the financing option.
